# 浙江省机械设备进出口有限责任公司 ZHEJIANG MACHINERY & EQUIPMENT I/E CO., LTD

Our company is a foreign trade enterprise engaged in export of mechanical and electrical equipment with a long history. In recent years, our company is committed to the market development of new energy projects, especially focusing on the EPC of LED energy-saving lighting and intelligent lighting etc. In 2016, the company won the bid for the EPC project of solar & Non-solar LED street lighting in three cities of Bangladesh, including design, supply, construction, installation and commissioning. Along the "The Belt And Road" , the project was successfully completed in November of 2018.

Keeping pace with The Times, adhering to the concept of "developing innovative green industry" and participating in "The Belt And Road" , the company has blazed a path in line with its own development, from exporting small hydropower equipment to contracting EPC projects for solar energy and LED new energy smart lighting etc. The company will continue to increase investment in new energy projects, forge ahead, constantly expand development space, and strive for greater achievements.

# Shenzhen Topray Solar Co., Ltd

**Shenzhen Topray Solar Co., Ltd (stock exchange code: 002218), with registered capital of 1.236 billion RMB (200 Million USD equivalent), is the first pure solar company entered in domestic capital market.**

Topray Solar Group is one of the most experienced manufacturers of photovoltaic products in China since 1999 with fully vertically integrated solar manufacturing lines of ingot, wafer, cell, module and solar pv glass with capacity of :

Silicon ingot: 1 GW

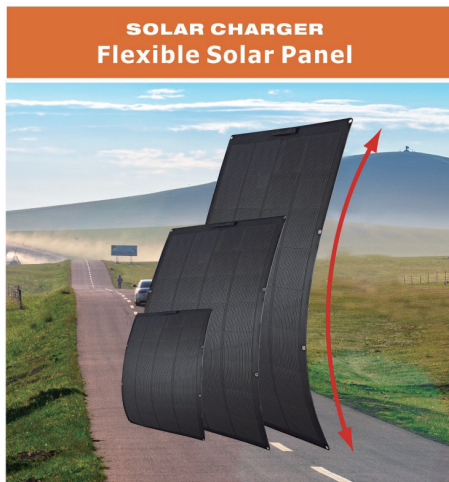

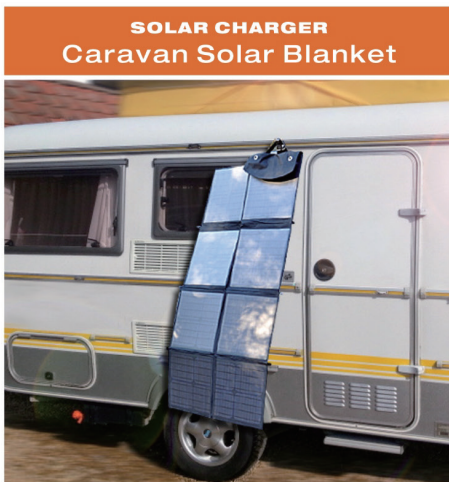

Silicon wafer: 1 GW

Solar cell: 600 MW

Solar module: 1 GW

Solar glass: 6 GW

Solar power plant : 502 MW Started as the No. 1 thin film PV module manufacturer in China, Topray Solar engaged in both mono crystalline and poly crystalline production from 2004, with current total manufacture capacity of over 1GW , Topray Solar also involved in the design, investment, construction and operation of both large scale ground based solar power plant and small scale rooftop projects. Throughout the years, we have already owned 502MW of solar power plant both in Germany and China. Topray Solar has positioned itself as the most diversified solar company in the world .partnership with worldwide distributors and installers, Topray Solar is dedicated to With the provide customers with our high quality products, sustainable solutions and superior sales services from our global offices throughout Europe, North America, Australia, Africa and Asia.

## Certificates

“扫一扫”

After more than 18 years rapid development, LONGT has become a modern lighting enterprise integrating product research and development, production, marketing and project bidding service.

SAILING LAMP

The lamp design integrates the soft beauty of natural art and positive culture, with simple appearance, smooth lines, positive and vigorous momentum, implying sailing.

LED STREET LIGHT LT3

1. Module design LED street light;
2. High lumen efficiency;
3. High brightness;

China International Water & Electric Corporation (CWE), a wholly-owned subsidiary of China Three Gorges Corporation (CTG), which is the first state-owned enterprise of the Chinese hydropower industry. Having a history of over 60 years, CWE has undertaken projects in over 80 countries and regions in Asia, Africa, Europe, and America and ran business units in over 30 countries and regions. CWE now holds numbers of qualifications and has made prominent achievements in its main business as well as other infrastructure projects (including transmission and transformation, roads and bridge, etc.). In addition, it has been ranked an ENR TOP 250 International Contractor for 29 consecutive years, and an ENR TOP 225 International Design Firm for 18 consecutive years. In the future, by adhering to the idea of healthy sustainable development, CWE is to build itself into an international clean energy construction and investment company.

## Company profile

CNC was founded in 1988 specialized in Low-voltage electrical and Power Transmission and Distribution industries. We provide our customer with profitable growth by offering integrated comprehensive electrical solution.

CNC key value is innovation and quality to ensure clients with safe, reliable products. We set up advanced assembly line, test center, R&D Center and quality control center. We have got the certificates of ISO9001, ISO14001, OHSAS18001 and CE, CB, SEMKO, KEMA, TUV etc.

As a leading manufacturer of electrical products in China, our business covers over 100 countries.

- China Top 500 Enterprise
- China Top 500 Manufacturing Enterprise
- China Top 100 Industrial Electrical Enterprise
- National High-tech Enterprise

# GACIA

*We produce circuit breaker only*

## Company Profile of GACIA

Gacia Electrical Appliance Company Limited is an export-oriented high-tech company, which was established in August in 2002. Gacia is specialized in R &D and manufacture of all kind of circuit breakers. After about ten years development, Gacia built a headquarter in Beibaixiang Yueqing (mainly focus on manufacturing and export 'Gacia' brand circuit breakers and have built long-term ODM business relationship with many world famous electrical corporations). Meanwhile, the company also built the Gacia OEM Jiangxi Branch and Gacia Shanghai Branch (High-ends brand). Gacia has more than 1100 employees and the total value of out-put achieved RMB 450 million, and self-managed exporting earned foreign exchange 35million US dollar in 2016. The foreign trade export of Gacia continues to keep ranked as one of the top three exporters among Yueqing City.

The company has obtained hundreds of certification certificated both at international and domestic level which issued by many well-known institution including, VDE, TUV, KEMA, SEMKO, CE, CB, ROHS, CCC. Gacia also has obtained the ISO9001, ISO14001, OHS18001, ISO10012 approval.

**JINSHUI WIRE &CABLE GROUP**

JINSHUI WIRE &CABLE GROUP, established in 2001, mainly specializes in producing wires & cables, integrating design, production and sales. Our product range covers the following:

- Bare Conductors( AAC,AAAC,ACSR, Galvanized steel wires)
- Aerial Bunded Cable (Duplex,Triplex,Quadruplex)
- PVC insulated wire (Rated voltage to 450/750V)
- PVC Insulated Power Cable
- XLPE Insulated Power Cable
- Rubber sheath Cable
- Welding Cable
- Control Cable

Moreover, we are able to produce cables with specific requirments or standards such as IEC, ASTM, BS, DIN, AS/NZS, NF etc. In the past years, our products have been exported to many countries and regions, such as United kingdom 、 America, South America, Africa, Middle East as well as other Asian countries. JINSHUI, will be committing ourselves to supply products with good quality and service to all customers over the world.

**FUJIAN METALS & MINERALS IMP & EXP CO., LTD.**

Fujian Metals & Minerals Imp.&Exp.Co.,Ltd is restructuring before a listed as the 500 top 100 enterprises in the provincial foreign trade import and export companies, engaged in import and export business for nearly 40 years of history. Companies follow the " heavy contract, observe the credibility, quality, excellent service, and promote development "

中国机电产品进出口商会（简称“机电商会”）成立于1988年7月，是由在中华人民共和国境内依法注册、从事机电产品生产和进出口贸易、海外成套工程项目承包及相关活动的各种经济类型组织自愿结成的行业性、全国性和非营利性的社会组织。

根据《中华人民共和国对外贸易法》第9章第56条规定，进出口商会的职责是提供与对外贸易有关的生产、营销、信息、培训等方面的服务，发挥协调和自律作用，依法提出有关对外贸易救济措施的申请，维护成员和行业的利益，向政府有关部门反映成员有关对外贸易的建议，开展对外贸易促进活动。

作为我国机电产品进出口行业唯一的全国性商会，机电商会现有会员企业近万家，囊括了机电产品生产和外贸领域龙头骨干企业和大批中小企业，具有较强的行业代表性。2012年6月，机电商会被民政部评为中国最高等级——5A级社会组织。

Основанная в июле 1988 года, Китайская Торговая Палата по Импорту и Экспорту Машиностроительной и Электронной Продукции (далее - СССМЕ), является общенациональной промышленной и некоммерческой организацией, созданной совместно и добровольно различными хозяйствующими субъектами, деятельностью которых является импорт, экспорт и производство, а также другие виды деятельности в сфере машиностроения и электронной промышленности. Включая заключение международных проектных контрактов "под ключ".

В соответствии с положениями статьи 56, глава 9, Закона «О Внешней Торговле Китайской Народной Республики», миссия Палаты состоит в том, чтобы предоставлять своим членам услуги, связанные с внешней торговлей, в таких аспектах, как производство, маркетинг, информация и обучение. Играть положительную роль в координации и самодисциплине внешнеторговых организации, защищать интересы своих членов и отрасли в целом, подавать заявки на правовую защиту в области внешней торговли, сообщать соответствующим ответственным органам о предложениях своих членов в сфере внешней торговли. Активно содействовать продвижению внешней торговли.

Являясь единственной общенациональной торговой палатой в машиностроительном и электронном секторе, СССМЕ насчитывает около 10 000 членов, включая ведущие предприятия данного сектора. В июне 2012 года СССМЕ была признана неправительственной организацией класса «AAAAA» Министерством гражданской администрации Китая.
